stated that the Hassan Zam Mill have received on 8/6/1942 that the payment of the instalment may be postponed and the repayment of the loan permitted to commence from 1942-43. It is stated that a provision of Rs 5000/- has been made in the Budget of the Hassan Zam Mill for 1942-43.

2) The proposal would mean the postponement of the first instalment by one year i.e. from 28/2/42 to 28/2/43 up to the end of June 1942 the Mill is to pay a sum of Rs 11,570/8/4 including the interest for the intermediate period. If this is to be postponed further the Mill should have to pay penal interest on the first instalment of the loan the amount to be levied would be up to Rs 11,570-8-4 + 556-13-3 + penal interest. The Mill is not in a position to pay these amounts. Hence the request to postpone the instalment by one year is ordered. The Financial Secretary may also be consulted.

24) No doubt, under present conditions, the difficulty in collections or amounts due to Local Bodies or Government will be real and in such circumstances mere postponement of the instalment would not solve the difficult Unless the municipality can improve its revenue resource such accumulation will lead to write-off and a contingency of the kind should not be allowed to arise.

25) In the circumstances, the loan account itself has to be revised To do this, specific sources of revenue will have to be got earmarked for repayment of the loan by the Municipality Recently Government have extended the scope of the tax legislation by the Local Bodies by providing for the levy of surcharge on transfer of properties and it would be desirable if this and other specific sources can be ear-marked for the purpose of discharging the loan instalments Definite and concrete proposals for repayment of the loan, may, I think, be obtained before passing orders

To Sir,

With refce to the Correspondence ending with your D.O letter no MLC 4419/62 dt 15-1-63 on the above subject I am directed to state as follows

The first and second instalment of the water supply loan fell due on 28-2-1962 and the second instalment falls due on 28-2-1963 The Hassan Town Mdy may not perhaps be in a position to pay both the instalments dues together with the penal interest on the overdue instalment which is overdue during the current year Such accumulations will

21

lead to complications and ch
may be difficult for the Local Body
to repay the accumulated ~~loan~~ instalments, with penal interest
As the prospect of the 2nd Cl to commence the payment of the first instalment of the loan from 28-2-1963 instead of from 28-2-1962 would amount to a revision of the loan account of the Mkty, with consequential changes in the specific sources of revenue will have to be earmarked for repayment of the loan by the Mkty Bd
I am accordingly to request that definite and concrete proposals for repayment of the loan in this behalf may be obtained, and submitted for orders

Sir,

With reference to your letter No D 11366/P H 62-39 dated 28-6-41 calling for a report on the adjustment of arrear bills of the Medical Stores for supplies made during 1918 to 1926, I have the honour to state that no further amounts have been adjusted by any of the Local Bodies since the detailed report submitted to Government in this office letter No C 2395-22 dated 5-12-1939

2 The President, District Board, Shimoga, from Government directed to arrange to pay the arrears in 3 instalments vide letter No D 5218/P H 102-35 dated 20-1-37 of the General Secretary, has not yet adjusted the arrears in spite of reminders In his letter No C 251/L B 38-39 dated 10-6-1941 the President, intimated that necessary provision has been made in the next year's budget and that the bills will be adjusted on receipt of sanction to the Budget by Government Intimation of adjustment of the bill has not yet been received as yet in this office

3 In regard to the adjustment of the dues by the Municipal Council, Hunsur, viz Rs 1-4-0 the bill remains as yet unadjusted and is under correspondence with the Deputy Commissioner, Mysore and the President, Municipal Council, Hunsur Another copy of the bill was sent to the latter officer on 23-7-1941

4 In regard to the adjustment of a bill of Rs 84-13-0 of the District Board, Hassan, the matter has been under correspondence and no definite action has been taken The President, District Board in his letter dated 24-4-1939 required this office to address the

Deputy Commissioner, Hassan, the Amildar, Arkalgud Taluk & the District Medical & Sanitary Officer, Hassan in respect of certain of the bills which are addressed to these officers to obtain information as to why the articles were indented and how they were utilised etc The matter has been under correspondence with this office and the different officers and the President, District Board, Hassan and the bills ~~as a result~~, are still Remaining unadjusted

5 As regards the adjustment of a sum of Rs 37-12-0 due by the Chiknaikdrug District Board, the President in his letter of 29-9-1939 communicated the resolution of the Board regretting its inability to admit the claim The President was addressed in this office letter No C 1209 dated 26-2-1940 for placing the matter again before the District Board In spite of reminders no reply has yet been received from him and the bill remains unadjusted

6 Regarding the sum of Rs 209-2-0 against the Sanitary Commissioner, orders of Government are solicited for adjustment of the amount out of the provision under 5 Plague & Other Epidemic charges already requested in this office letter No C 2595-32 dated 8-11-39 as it is not known for what the supplies were received in the year 1918-19 or how the medicines were distributed

7 Regarding the sum of Rs 76-6-0 due by the Bangalore City Municipality the Health Officer has been furnished with particulars of bills again in this office No C 1209-61 dated 23-6-1941 and the bill remains unadjusted

8 In this connection I wish to bring to the notice of Government that unless the amounts due by the Local Bodies are ordered by Government to be adjusted without any further delay, the bill amounts, as it is seen at present, will have to be borne by the Imperial Funds The supplies relate to periods from over a year to three years and in such circumstances the Local Bodies may legitimately plead inability to pay the amounts on the ground that they have not collected the amounts from the persons liable and that the time for recovery by process of law has lapsed

therefore, request that Government may be pleased to issue
instructions to the Comptroller in Mysore for the payment
of these dues by adjustments in the accounts of the above
bodies concerned

I have the honour to be

SIR

With reference to correspondence ending with your letter No L 10269 dated 27-4-42 in the matter of adjusting a sum of Rs 76-6-0 towards the cost of medicines supplied by the Medical Stores during the year 1918 to 1925, I have the honour to state that, the claims relate to so long back a period of about 17 years. It has been reported by the Health Officer of this Municipality that no references on the subject are traceable in this Office at this distance of time. The claims in question will not be admitted in audit now in the absence of references as to the receipt and issue of the medicines referred to in the bills in question It is not understood why the Medical Department did not take timely action for the adjustment of these bills if they were pending payment, as now alleged In these circumstances, I recommend that the Government may be kindly moved to accord sanction to write off the accounts the amounts of the Bill in question.

Forwarded with compliments

I have the honor to be,
Sir,
Your most obedient servant,
